I, Jennifer Mielke, being duly sworn, depose and say, that:

2. I am not a party to this action.

4. On July 31, 2006, Plaintiff began his first day of filming the role of Nestor in the film.

5. Later that day, Plaintiff and I were walking to meet Tousi at the production office after which we would all attend a birthday party for a cast member.

6. As Plaintiff and I were traveling to the production office an individual approached us and offered us drugs in a mix of broken English and Spanish.

7. In response, Plaintiff inquired as to whether the individual possessed crystal methamphetamine and how much it would cost. The individual indicated that he did not have that item. Plaintiff proceeded to inquire about the price of the cocaine.

8. I told Plaintiff that we needed to leave and return to the production office.

9. The drug dealer proceeded to follow us to the hotel in which the production office was located and had to be driven away by a hotel employee.
